Description :

PDF-7d3b9 | Since the original publication of this seminal work, acceptance and commitment therapy (ACT) has come into its own as a widely practiced approach to helping people change. This book provides the definitive statement of ACT--from conceptual and empirical foundations to clinical techniques--written by its originators. ACT is based on the idea that psychological rigidity is a root cause of a wide ran... *Acceptance and Commitment Therapy, Second Edition: The Process and Practice of Mindful Change*
