Description :

PDF-2b5a7 | Finally, an evidence-based, don't-panic guide to what to do about kids and screens. Today's babies often make their debut on social media with the very first sonogram. They begin interacting with screens at around four months old. But is this good news or bad news? A wonderful opportunity to connect around the world? Or the first step in creating a generation of addled screen zombies? Many have been... *The Art of Screen Time: How Your Family Can Balance Digital Media and Real Life*
