Description :

PDF-0fec6 | It's reality-check time! You're at least four months into your tour of parenting, and the complexities of child training are starting to multiply. As your baby is growing physically, his mind is adapting with an increasing awareness to new sights, sounds and sensations. He can now interact with his material universe with greater attentiveness. Now feeding time is more than a biological response in... *2: On Becoming Baby Wise, Book Two: Parenting Your Five to Twelve-Month Old Through the Babyhood Transition*
