Description :

PDF-2e30d | Beyond Consequences, Logic, and Control covers in detail the effects of trauma on the body-mind and how trauma alters children's behavioral responses. The first four chapters help parents and professionals clearly understand the neurological research behind the basic model given in this book, deemed, 'The Stress Model.' While scientifically based in research, it is written in an easy to understand... *Beyond Consequences, Logic, and Control: A Love-Based Approach to Helping Attachment-Challenged Children With Severe Behaviors*
