: **Biomedical Informatics: Computer Applications in Health Care and Biomedicine (Health Informatics)**

ISBN : #0387289860 | Date : 2006

Description :

PDF-e62ba | This book focuses on the role of computers in the provision of medical services. It provides both a conceptual framework and a practical approach for the implementation and management of IT used to improve the delivery of health care. Inspired by a Stanford University training program, it fills the need for a high quality text in computers and medicine. It meets the growing demand by practitioners... *Biomedical Informatics: Computer Applications in Health Care and Biomedicine (Health Informatics)*
