by Geoffrey M. Cooper : **The Cell: A Molecular Approach**

ISBN : #160535290X | Date : 2015-10-08

Description :

PDF-0d34f | Teaching cell biology can be a daunting task because the field is so vast and rapidly moving, characterized by a continual explosion of new information. The challenge is how to teach students the fundamental concepts without becoming bogged down in details. Students need to understand the principles of cell biology and be able to appreciate new advances, rather than just memorizing "the facts" as ... *The Cell: A Molecular Approach*
