Dental Anthropology PDF

by Simon Hillson : **Dental Anthropology**

ISBN : # | Date : 1996-09-28

Description :

PDF-1c5d4 | Teeth are one of the best sources of evidence for both identification and studies of demography, biological relationships and health in ancient human communities. This text introduces the complex biology of teeth and provides a practical guide to the: • excavation, cleaning, storage and recording of dental remains • identification of human teeth including those in a worn or fragmentary state ... *Dental Anthropology*
