: **Designing Health Messages: Approaches from Communication Theory and Public Health Practice**

ISBN : #0803953984 | Date : 1995-02-10

Description :

PDF-2ef19 | How do you design an effective message for a health campaign? This book explores this question from both practical and theoretical perspectives. The contributors demonstrate the necessity of basing message design decisions on appropriate theories of human behavior and communication effectiveness by synthesizing and integrating knowledge and insights from theory and research in communication and he... *Designing Health Messages: Approaches from Communication Theory and Public Health Practice*
