Description :

PDF-aef20 | After the many bureaucratic changes that followed the passing of the Affordable Care Act (Obamacare) and other legislation, patient care has become secondary to satisfying the whims of government and giant insurance company administrators, who are in total control. The result is a web of complicated rules and misguided programs whose chief effect has been to distract doctors and nurses from their ... *Distracted: How Regulations Are Destroying the Practice of Medicine and Preventing True Health-Care Reform*
