by Charles A. Shoniregun : **Electronic Healthcare Information Security (Advances in Information Security)**

ISBN : #0387848177 | Date : 2010-11-17

Description :

PDF-d7f3f | The adoption of Information and Communication Technologies (ICT) in healthcare is driven by the need to contain costs while maximizing quality and efficiency. However, ICT adoption for healthcare information management has brought far-reaching effects and implications on the spirit of the Hippocratic Oath, patient privacy and confidentiality. A wave of security breaches have led to pressing calls ... *Electronic Healthcare Information Security (Advances in Information Security)*
