Description :

PDF-82578 | Health care premiums in the U.S. are escalating from twelve to twenty percent a year— with no end in sight. The impact of those cost increases on both employers and employees will be huge. Workers will see a direct cut in their take-home pay. Millions will lose health insurance coverage completely. Senior citizens on fixed incomes will be hit particularly hard, as premiums for their Medicare sup... *Epidemic of Care: A Call for Safer, Better, and More Accountable Health Care*
