Description :

PDF-efaaf | This book is the result of hands on experience. We have been engaged in the field of children's therapy for many years, during which we dealt with a wide variety of problems. Our experience in providing therapy for these children led us to understand that the basis for most problems we encountered is difficulty in emotional regulation, which is expressed by feeling, thinking and behavior. Since bo... *The Flexible Protocol: Emotional Regulation for Children and Their Parents Using Meaning-Focused Therapy and Arts based on the cognitive-behavioral approach*
