ISBN : #0375709223 | Date : 2001-01-09

Description :

PDF-776ff | This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. A General Theo... *A General Theory of Love*
