Description :

PDF-c5174 | Health conditions such as headaches, pain, TMJ and sleep disorders are often treated best with a multi-disciplinary approach involving different types of health care practitioners. In addition, it is important to know that patients with one of these conditions often have at least one additional condition. Chronic pain: no one health professional can do it all. You need a team approach. The reas... *Headaches, Pain, TMJ & Sleep Disorders: Toronto Health Professionals Share Their Insights To Attain Overall Wellness*
