Description :

PDF-3692c | Certainly one of the most difficult, often neglected areas of art study is the correct rendering of heads, features, and faces. This volume, prepared by an expert in the field, is devoted exclusively to just that. With its clear, concise text, its almost 200 excellent illustrations, and its overall life-drawing approach, the book provides valuable guidelines on how best to portray faces, features,... *Heads, Features and Faces (Dover Anatomy for Artists)*
