Description :

PDF-f48a8 | How each of us can become a therapeutic presence in the world. Images and sounds of war, natural disasters, and human-made devastation explicitly surround us and implicitly leave their imprint in our muscles, our belly and heart, our nervous systems, and the brains in our skulls. We each experience more digital data than we are capable of processing in a day, and this is leading to a loss of empath... *The Heart of Trauma: Healing the Embodied Brain in the Context of Relationships*
