Description :

PDF-6202f | In this book lies a key for decoding modern medical terminology, a living language that, despite some quirks, is best approached as an ordered system. Rather than presenting a mere list of word elements to be absorbed through rote memorization, The Hippocrates Code offers a thorough, linguistically-centered explanation of the rules of the terminological game, both for the language of medicine and ... *The Hippocrates Code: Unraveling the Ancient Mysteries of Modern Medical Terminology*
