Introduction to Genomics PDF

by Arthur Lesk : **Introduction to Genomics**

ISBN : #0198754833 | Date : 2017-05-23

Description :

PDF-8ade1 | Our genome is the blueprint for our existence: it encodes all the information we need to develop from a single cell into a hugely complicated functional organism. Yet it is more than a static information store: our genome is a dynamic, tightly-regulated collection of genes, which switch on and off in many combinations to give the variety of cells from which our bodies are formed. But how do we ide... *Introduction to Genomics*
