Description :

PDF-9624f | The vaccine industry, medical establishment and government have convinced millions of people that vaccines are one of the greatest medical advancements in history. Consequently, believers believe in the salvational value of vaccines in much the same way that people of faith believe in the salvational value of religious sacraments. Germs are bad and vaccines are good. Period. Questioning the domina... *Jabbed: How the Vaccine Industry, Medical Establishment and Government Stick It to You and Your Family*
