by Harshawardhan Bal : **Java for Bioinformatics and Biomedical Applications**

ISBN : #0387372350 | Date : 2006-10-25

Description :

PDF-8a9ab | Medical science and practice have undergone fundamental changes in the last 5 years, as large-scale genome projects have resulted in the sequencing of a number of important microbial, plant and animal genomes. This book aims to combine industry standard software engineering and design principles with genomics, bioinformatics and cancer research. Rather than an exercise in learning a programming pl... *Java for Bioinformatics and Biomedical Applications*
