Description :

PDF-29d11 | In *New Deal Medicine*, physician and historian Michael Grey brings to light the diversity, reach, and complexity of the medical care programs of the Farm Security Administration. Drawing on oral histories, archival records, and medical journals from the 1930s and 1940s, Grey finds the programs were both a rehearsal for more modern forms of medical organization and a lightning rod for critics of "so... *New Deal Medicine: The Rural Health Programs of the Farm Security Administration*
