Description :

PDF-cf46c | Social media has reached into every profession - and nursing is no exception. Almost daily, new research and publishing methods emerge. This fast-paced, ever-changing way of disseminating information will continue to evolve, whether nurses participate or not. With the vital role that nursing plays in the health care community, nurses cannot afford to fall behind. Social media provides exciting pos... *The Nurse's Social Media Advantage: How Making Connections and Sharing Ideas Can Enhance Your Nursing Practice*
