ISBN : #0867156503 | Date : 2014-02-10

Description :

PDF-4206f | In today's health care environment, the emphasis on disease prevention means that, more than ever before, dentists are expected to promote the general as well as oral health of their patients. Over the past several decades, an impressive body of knowledge has accumulated about the impact of oral infections on overall health and well-being. New information is being published at a rapid pace, and cl... *The Oral-Systemic Health Connection: A Guide to Patient Care*
