by John McMurry : **The Organic Chemistry of Biological Pathways, Second Edition**

ISBN : #193622156X | Date : 2015-12-11

Description :

PDF-53386 | The Organic Chemistry of Biological Pathways was written for an audience of advanced undergraduates and graduate students who want a deeper understanding of the chemical reactions that take place in living organisms. The authors assume readers have a background in organic chemistry at the level of the typical two-semester college course. Although enzymes are crucial to biological reactions, the au... *The Organic Chemistry of Biological Pathways, Second Edition*
