Description :

PDF-456f7 | Losing our parents when we ourselves are adults is in the natural order of things, a rite of passage into true adulthood. But whether we lose them suddenly or after a prolonged illness, and whether we were close to or estranged from them, this passage proves inevitably more difficult than we thought it would be. A much-needed and knowledgeable discussion of this adult phenomenon, *The Orphaned Adult: Understanding And Coping With Grief And Change After The Death Of Our Parents*
