Description :

PDF-2ac41 | The Oxford Handbook of Positive Psychology is the seminal reference in the field of positive psychology, which in recent years has transcended academia to capture the imagination of the general public. The handbook provides a roadmap for the psychology needed by the majority of the population -- those who don't need treatment but want to achieve the lives to which they aspire. These 65 chapters su... *The Oxford Handbook of Positive Psychology (Oxford Library of Psychology)*
