Population Health: Concepts and Methods PDF

by T. Kue Young : **Population Health: Concepts and Methods**

ISBN : #0195158547 | Date : 2004-09-23

Description :

PDF-fdcb2 | Population health encompasses traditional public health and preventive medicine but emphasizes the full range of health determinants affecting the entire population rather than only ill or high-risk individuals. The population health approach integrates the social and biological, the quantitative and qualitative, recognizing the importance of social and cultural factors in practice and research. Th... *Population Health: Concepts and Methods*
