Research Methods in Psychology: Evaluating a World of Information PDF

by Beth Morling : **Research Methods in Psychology: Evaluating a World of Information**

ISBN : #0393935469 | Date : 2011-10-06

Description :

PDF-2421d | An engaging text that helps students develop the skills they need for critically examining their world. Research Methods in Psychology: Evaluating a World of Information acknowledges that many psychology majors pursue careers in which they need to read and understand research rather than actually conduct research.

Therefore, while students still learn the skills necessary to design research, the book... *Research Methods in Psychology: Evaluating a World of Information*
