Description :

PDF-c3782 | From the author of *The Presentation of Self in Everyday Life*, Stigma analyzes a person's feelings about himself and his relationship to people whom society calls "normal." Stigma is an illuminating excursion into the situation of persons who are unable to conform to standards that society calls normal.

Disqualified from full social acceptance, they are stigmatized individuals. Physically d... *Stigma: Notes on the Management of Spoiled Identity*
