Description :

PDF-1e682 | Racial and ethnic disparities in health care are known to reflect access to care and other issues that arise from differing socioeconomic conditions. There is, however, increasing evidence that even after such differences are accounted for, race and ethnicity remain significant predictors of the quality of health care received. In *Unequal Treatment*, a panel of experts documents this evidence and e... *Unequal Treatment: Confronting Racial and Ethnic Disparities in Health Care (with CD)*
